

Lifeline

-

words and music by Richard © Devote

What if the water is too strong
and the storm is holding on
Is your rescue any near
or are you numb with fear
What if the rain is going on
You're still waiting for the sun
And praying to the Father
land is turning into wa ----- ter ---

Reach out and grasp to the lifeline - He'll pull you out and bring you the sunshine
Reach out and grasp to the lifeline - He'll pull you out and bring you the sunshine
Reach out and grasp to the lifeline - He'll pull you out and bring you the sunshine

Just hooooooooold on to that lifeline called Jesus
Just hooooooooold on to that lifeline called Jesus
Just hooooooooold on to that lifeline called Jesus
Just hooooooooold on to that lifeline called Jesus

Reach out and grasp to the lifeline - He'll pull you out and bring you the sunshine
Reach out and grasp to the lifeline - He'll pull you out and bring you the sunshine
Reach out and grasp to the lifeline - He'll pull you out and bring you the sunshine
Reach out and grasp to the lifeline - He'll pull you out and bring you the sunshine

REACH OUT!
