

Shout it out - Devote

Hey I wanna sing it loud

Sing Your praises shout it out

Cause now I'm saved I once was lost
therefor You sent your Son to us

Like a bird needs his wings,

a fish needs the water

My soul longs to you

My everlasting Father

Hey I wanna sing it loud

Sing Your praises shout it out

Cause now I'm saved I once was lost
therefor You sent your Son to us

Shout it out, I will praise you

Shout it out, I will praise you

Shout it out, I will praise you

Shout it out, I will praise you

Like a bird needs his wings,

a fish needs the water

My soul longs to you

My everlasting Father

Hey I wanna sing it loud

Sing Your praises shout it out

Cause now I'm saved I once was lost
therefor You sent your Son to us

Hey I wanna sing it loud
Sing Your praises shout it out!!
