

## The sound of Christmas - Devote

Tell me what's the sound of Christmas  
that reminds me of the day?  
Tell me what's the sound of Christmas  
could it be jingle all the way?

Is it something more  
then singing round the tree  
And is there something more  
you wanna say to me?

Tell me what's the sound of Christmas  
that reminds me of the day?  
Tell me what's the sound of Christmas  
could it be jingle all the way?

Christmas party people  
can't remember tell me why  
Christmassongs and eating  
drown the sound of a baby cry

This is the sound of Christmas  
that reminds me of the day!  
The little babyboy named Jesus  
Came to the earth to walk the way  
To unite us with the Father  
And learned us how to pray  
That's the sound of Christmas  
the baby cry on Christmas day!

This is the sound of Christmas  
that reminds me of the day!  
The little babyboy named Jesus  
Came to the earth to walk the way  
To unite us with the Father  
And learned us how to pray  
That's the sound of Christmas  
the baby cry on Christmas day!

It's all about the sound of Christmas  
Listen to what I say:  
It's all about the sound of Christmas  
that baby cry on Christmas day
